

Hopkins County Agriculture & Natural Resources Newsletter

The Hopkins County Cooperative Extension Service will be closed Tuesday, November 5, 2024 for Election Day and Thursday, November 28 + Friday, November 29, 2024 for Thanksgiving.

SAVE THE DATE

February 27, 2025

Wondering what the “**Carbon Market**” is? Curious about **crop insurance, grain marketing and Farm Bill Updates**? We have the program for you! This will be a mid-day meeting at the Hopkins County Extension Office. More updates to come.

Please take a moment to fill out our **short survey** regarding agriculture programming topics at the Hopkins County Extension Service

The UK Beef Management Webinar Series resumes this fall and will run through spring 2025. The series will be six sessions (the second Tuesday of each month) starting November 12. All sessions will begin at 7:00 PM. If you are interested and would like to be registered, send an email to Darrh Bullock at dbullock@uky.edu with “Beef Webinar” in the subject line and your name and county in the message to receive a Zoom link and password.

I will be holding **Private Pesticide Applicator Trainings** in early 2025. Please contact the extension office to be added to the notification list.

Kentucky Crop Health Conference

February 6, 2025—Bowling Green, KY. An in-depth and enhanced conference covering insect, plant pathogen, and weed pests of Kentucky corn, soybean, and wheat acres. Presentations by University of Kentucky Extension Specialists and invited nationally prominent extension specialists from across the United States.

Breakfast and lunch included. Conference sign-in begins at 8 a.m. CST. Scan QR Code or visit: <https://kchc2025.eventbrite.com> Tickets non-refundable after January 30, 2025. CCA and Kentucky Pesticide Applicator credits are pending

Deer harvesting season has started in Kentucky! Check out this great **Roast Venison recipe** provided by the Kentucky Nutrition Education Program:
